

Flood Education Resources Open House for Early Elementary Teachers

Please join us as we unveil new classroom resources at a teacher Open House on May 28 at the Eastonian Suites Hotel in downtown Easton, PA from 4:00—5:30 PM

Easton High School's environmental science class has created a ***2nd and 3rd grade science curriculum*** and will present hands-on demonstrations of the lessons. Participants will receive a ***free*** copy, along with two other activity books: "Ready Set Prepare" from the Red Cross and "Discover Floods" from Project WET.

Meet with staff from the Nurture Nature Center Flood Project. Hear about NCC's online watershed and flood education resources.
Snacks provided!

Please RSVP by May 26 to Laurie Rosenberg, lrosenberg@northampton.edu, 610-861-8696
